**Tip:** If you are a subject matter specialist and need to upload samples for a specific subject matter course, be sure to update your PLS Roster before clicking on the Work Sample Upload Link. The Quick Link Jump will by default show any classes affiliated with the Course indicator from your PLS roster when viewing the Work Sample upload page.

- **Step 2:** From Compliance Report edit or restrict any of the report options if desired.

**Tip:** Work samples can be uploaded directly from this page in lieu of using the Quick Link Jump from your PLS Roster if desired Teachers > Compliance > Archive. If any changes are made, be sure to click **Generate Report** to update.

	LP 6 (01/02/2017 - 01/27/2017)

- **Step 3:** Scroll down to locate student(s) /subject category for the desired LP or School Period in

need and select from upload options:

-  Clicking this icon allows you to browse and select a document from your computer that you have scanned or saved to your computer.
-  This icon allows you to send yourself a text message and reply by taking a picture of the sample, attaching from your photo gallery or device storage.

## Cell Phone Upload Option:

1. Once you click on the Cell phone icon, a confirmation will generate alerting you a text was sent to your cell phone device.

2. Open your text message received, select the option to take a picture and auto attach to the text message or take a picture, save it to your phone's picture file, then attach it to the text and send.
3. When you've replied from your cell phone device, you'll receive an additional text message alerting you that your sample has been received.

**Tip:** If you are experiencing a connection problem and would like to confirm that your cellular device is properly synched to your staff record, go to Admin > Archives > Test My Phone. Enter your cellular telephone number and click on Begin Test. If your carrier has been detected, and account status is confirmed you'll receive a confirmation.

You may also test sample upload process by clicking the checkbox next to Fake the test and choosing a file to submit. You will receive an upload successful message indicating your connection was confirmed.

**Remote Test**

Check that your phone and service are compatible with Remote Content

Number Given: 530701[REDACTED]  
Number Interpreted: 530701[REDACTED]  
Basic Check: OK  
Carrier: VERIZONUS  
Carrier Title: Verizon Wireless  
Relay address: BOGUS189603

**Begin Test**

☒ Fake the test.

## Additional Tips/ Tricks

☒ Hide Sub Periods

☐ Show/Hide All Document Details

**Staff Name: Obregon, Tara**

**Report Title: Work Samples**

**Hiding Sub Periods** – This will remove all sub (progress) periods in use from your immediate uploading view. Your page will reload and only show Reporting Periods of the date range specified.

Report Title: Work Samples		Report Title: Work Samples	
Student	2016 - 2017 Progress Report 1 LP 1 Electives	Student	2016 - 2017 Semester 1 (Fall) LP 1 Electives
Granger, Nancy	 	Granger, Nancy	 

**Show/Hide All Document Details** – This will function when toggled will automatically expand or collapse upload details.

The top screenshot shows the 'Show/Hide All Document Details' toggle checked. Below it, the staff name 'Obregon, Tara' is displayed. To the right, a yellow box contains document details: 'Unapproved' status with '0/1' count, 'Source: sis', 'Archived: 10/25/2016', 'Uploaded: 10/25/2016', 'Login: tara', and 'Re-file Teacher Notes'. A blue arrow points to the 'Uploaded' date. A 'Delete Document' button is at the bottom.

The bottom screenshot shows the same toggle unchecked. The staff name 'Obregon, Tara' is still displayed. The yellow box now only shows 'Unapproved' status with '0/1' count and a 'Delete Document' button. A magnifying glass icon is visible next to the status.

Work Samples are the **only** archive-able document able to be deleted upon a final typed confirmation. A Teacher or an Administrator may choose to delete if the Work Sample is still in an Unapproved, Rejected or Skipped status. Multiple work samples can be uploaded per subject category or LP/Reporting Period designation. The total number of samples found will generate on the latest document uploaded. To see all or collapse all documents use the toggle to show all Details as explained above or you may click on the + to the right of the magnifying glass/ view document icon, followed by Show History for an individual student.

This screenshot shows the header '2016 - 2017 Semester 1 (Fall) LP 4 English'. Below it, a yellow box displays 'Unapproved' status with '0/3' count. A magnifying glass icon is circled in red, and a red arrow points to it. A plus sign icon is also visible.

This screenshot shows the same header as the previous one. The yellow box displays 'Unapproved' status with '0/3' count. A magnifying glass icon is circled in red. Below the status, a 'Show History' button is highlighted with a red box. The details for the first document are: 'Source: sis', 'Archived: 02/14/2017', 'Uploaded: 02/14/2017', 'Login: leann', and 'Re-file Teacher Notes'. Below this, another document entry is partially visible with the same details.
