Adding a Student into the SIS

Please remember these important facts when working in the SIS.

The SIS currently enables two menu styles, Classic and Modern. These Manuals are constructed with the Modern Menu in mind. If using Classic, the locations of certain procedures may vary.

Enrolling Students into School

Admin»Student Info.» Find/Add Student

The feature can be used to search for a student already in your system. If the student has not already been entered, you are set to enter a new student!

- **Step 1.** Enter all or part of the students name and click search
- **Step 2.** Click Add New student if there are No Results
- **Step 3.** Enter Students Information on the following page (required fields have a *)

The screenshot shows the 'Demographics' registration form in the SIS. At the top, there are several tabs: Demographics, Pre-Reg & Prev. School, Family Information, Ed Level & Language Survey, ASAM, APLUS, BSUP, and Accommodations/Release. A red arrow points to the 'Accommodations/Release' tab, and a red text box says 'Complete all tabs and SAVE'. The form fields include: Legal First Name, Legal Middle Name, Legal Last Name, Suffix, Gender (Male/Female), Gradelevel, Other/aka First Name, Other/aka Middle Name, Other/aka Last Name, Other/aka Suffix, Birthdate(M/D/Y)*, Birth City, Legacy / Student Number, State Student ID, Birth State, Birth Country, Physical Address*, Physical City*, State*, Zip*, Country*, Mailing Address, City, State, Zip, Same Address, County*, School District of Residence*, Residence Category*, Home Phone, Home Phone Ext, Student Cell Phone, Student E-mail Address, School E-mail Address, and Race*. There are also checkboxes for 'Birth certificate on file' and 'Check here if the student was born outside the U.S. but granted U.S. citizenship at time of birth'. A note at the bottom says 'No matter what ethnicity is selected, at least one race must also be selected below'.

Helpful Hints

- Same address button can be clicked to fill in the Mailing Address fields if it is the same as the Physical Address
- Fields that are not initially required may be helpful in creating reports at a later date, but can be filled in at your schools discretion
- Pre-Enrollment area is used for a student that has the enrollment process started but not all required paperwork is in the system. If you do not want the student to be actively enrolled yet, be sure to click on the Inactive button at the bottom of the page.
- **Step 4.** Complete all necessary fields and then move on to the next registration tab. (You can use Ctrl + J to switch tabs using your keyboard)
- **Step 5.** Add family information- choose to add a parent/guardian
- **Step 6.** Use the following page to search for an existing parent record OR click add New Parent Record
- **Step 7.** The basics student information comes over. Enter the parent name, gender, relationship and contact information. Click SAVE Parent INFO. You will click Return to Student to back to the student registration page. Click on the "Lives With" button to set this name and

address for future mailers.

Repeat this process to add additional parent/guardians.

- **Step 8.** Parent Education Level-this field is required for BOTH parent/guardian 1 and 2. If this information was not provided by the family, choose “Declined to State.”
- **Step 9.** Language Survey - choose the language provided by the family for each field. If all options are English click the “SET ALL VALUES TO ENGLISH” to mass fill these fields

Enrollment Dates
