Helpful Hints

- Same address button can be clicked to fill in the Mailing Address fields if it is the same as the Physical Address
- Fields that are not initially required may be helpful in creating reports at a later date, but can be filled in at your schools discretion
- Pre-Enrollment area is used for a student that has the enrollment process started but not all required paperwork is in the system. If you do not want the student to be actively enrolled yet, be sure to click on the Inactive button at the bottom of the page.
- **Step 4.** Complete all necessary fields and then move on to the next registration tab. (You can use Ctrl + J to switch tabs using your keyboard)
- Step 5. Add family information- choose to add a parent/guardian
- Step 6. Use the following page to search for an existing parent record OR click add New Parent Record
- **Step 7.** The basics student information comes over. Enter the parent name, gender, relationship and contact information. Click SAVE Parent INFO. You will click Return to Student to back to the student registration page. Click on the "Lives With" button to set this name and address for future mailers.

Repeat this process to add additional parent/guardians.

- **Step 8.** Parent Education Level-this field is required for BOTH parent/guardian 1 and 2. If this information was not provided by the family, choose "Declined to State."
- Step 9. Language Survey choose the language provided by the family for each field. If all

Setting Staff Association

- Step 1. Now set the students record to a teacher. Click SET STAFF
- **Step 2.** Click ADD NEW ASSIGNMENT to connect the student to the teacher See appendix 2 for further staff association information
- **Step 3.** SAVE record. Click on any student's name to see their dashboard. Think of this like the dashboard of a car, it provides the viewer with critical information.

Global student notes

- At the bottom of every page is the ability to add a global note. If a user of SPSIS had permissions to access this page, they can read the global note or add their own.
- If you'd like teachers to be able to read notes you enter about a student they can be entered on the Dashboard.

Embedded Letters and Files

• You can also manage letters and files for students-shown on the right side of the students
