

Link/Unlink a Zoom Account

Link your Zoom account to School Pathways, this will help the Synchronous Calendar process to be more efficient

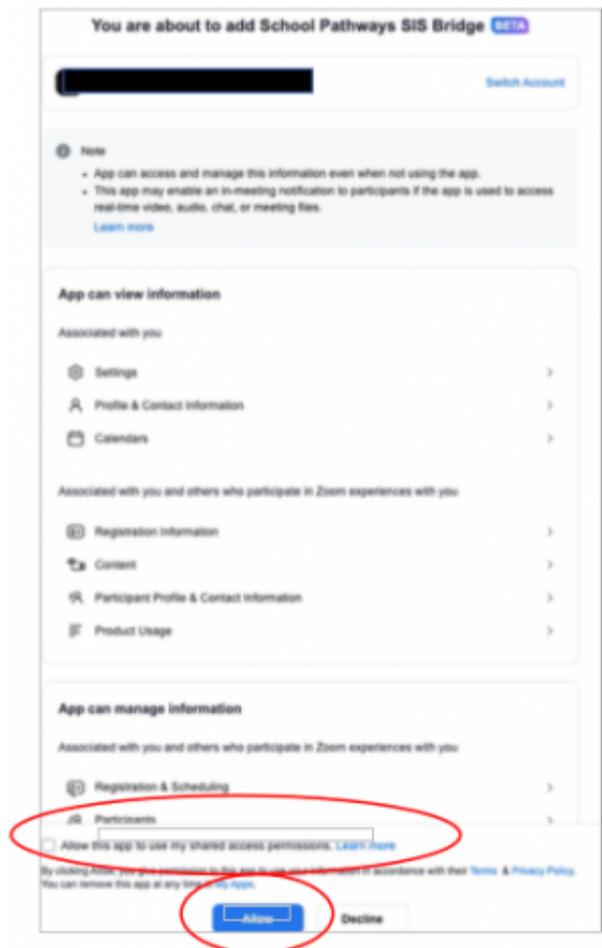

Log into Zoom from School Pathways by clicking **Link A Zoom Account** (this only needs to be done once).

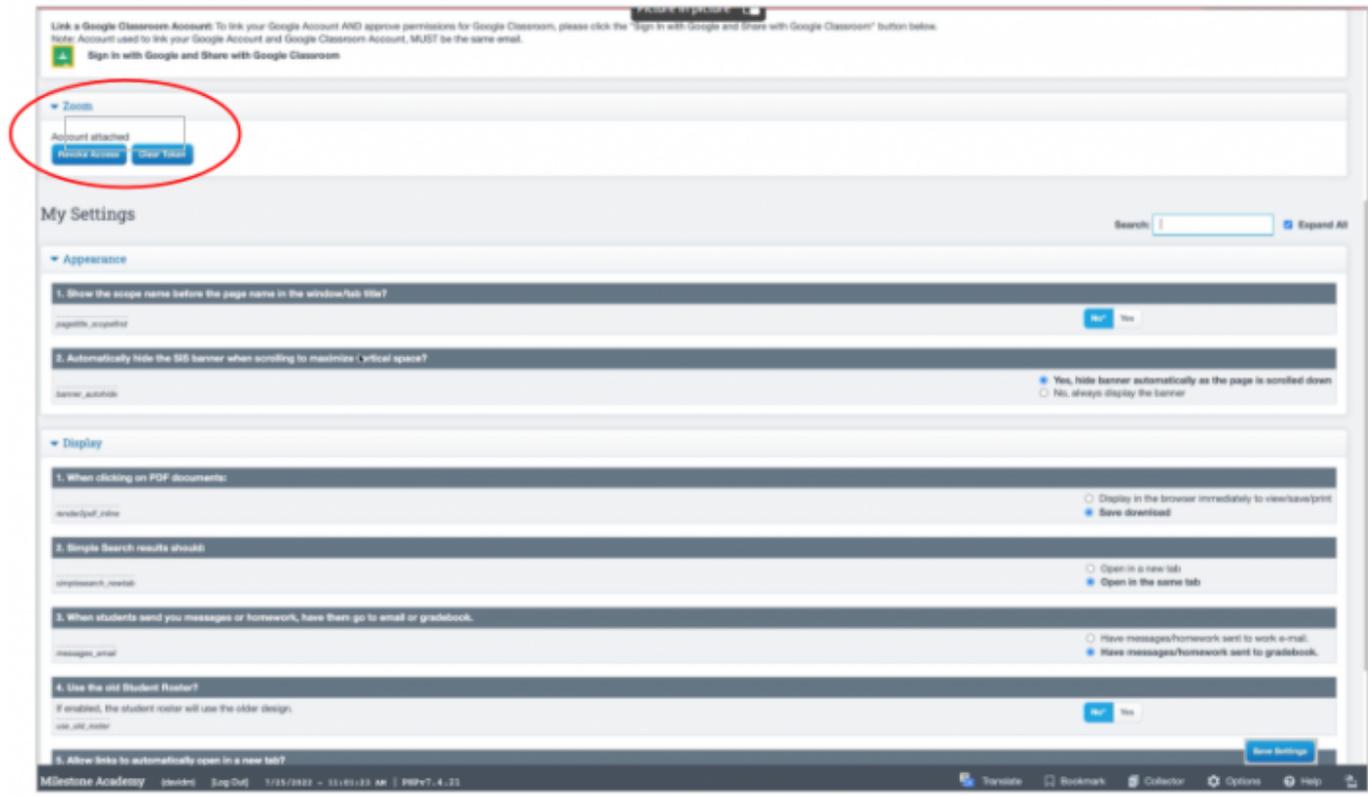

A pop up will appear on your screen asking for permission to add School Pathways.

Check the box Allow Access

Then click **Allow**

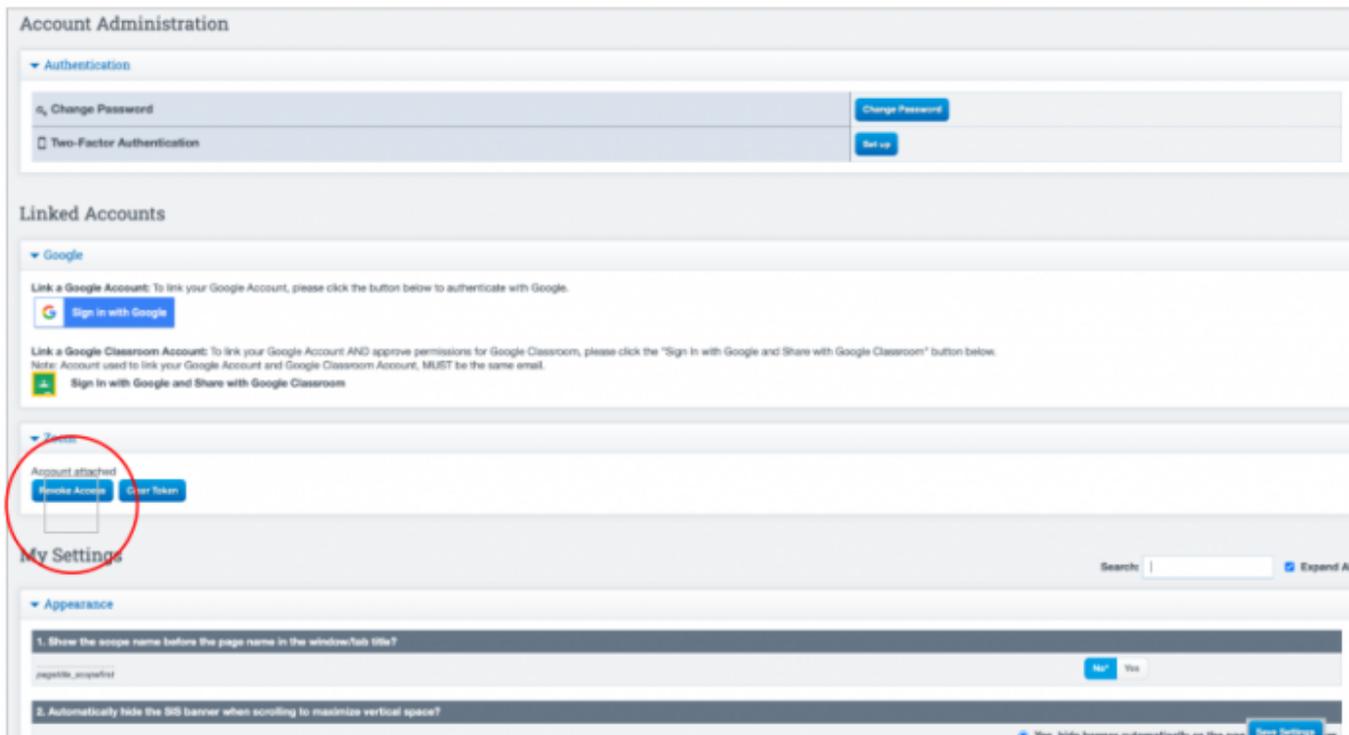

You will now see the **Zoom account is visible**, you can revoke if needed. Check your setting on this screen below to make sure what you want visible with the linking is visible

Unlink a Zoom Account

Account Settings from the user icon, click **Revoke Access**
