PLS Attendance

Attendance in the PLS is primarily taken for Independent Study. Ed Code states that IS attendance cannot be taken until on or after the last day of the learning period (LP). This is the default policy in the SIS. Contact School Pathways if you would like to change this policy.

Part I: Claiming attendance for all students on roster:

On or after the last day of the LP, click on the Att symbol to open the attendance page. Hover over the Att icon for the correct LP to see the date range.

Using the term "Claim" means the attendance was saved. In the above view, we know it has not been saved (claimed) because there is a white border around the colored boxes.

Click the colored box to change it to an Absent claim. Continue clicking to bring it back to Present. You can also use the SET ALL column to set all days at one time.
