

Updating Passwords- For Admin Users You will be required to update your password to one that is STRONG upon entering the SIS Step 1 Administration> Settings> Security> Change my password

Step 2 This will direct to the change password page Step 3 If the password created is not strong then the SAVE button will not allow a save Other helpful tips: • Be 8 characters long • Must have at least one capital letter • Must have at least one lower case letter • Must have at least one number • Must have at least one symbol Example of a strong password is App45le! For additional help please call your school or School Pathways at 866-200-6936
