

A-G Requirement Tracking

1. Ability to Auto-Track a-g Requirements

The subject requirement for a-g (15 courses) can now be tracked somewhat automatically in the SPSIS. While all courses of study will be auto-tracked, the 3 requirements listed below do require human interaction to determine whether or not the requirement has actually been fulfilled:

- History/social science (“a”) – Two years, including one year of world history, cultures and historical geography and one year of U.S. history, or one-half year of U.S. history and one-half year of American government or civics.
 - World History; Cultures and Historical geography
 - U.S. History
 - OR
 - ½ year of US History
 - ½ year of American Government OR Civics
- Laboratory science (“d”) – Two years of laboratory science providing fundamental knowledge in at least two of the three disciplines of biology, chemistry and physics.
 - 2 years of Lab science in at least 2 of the 3 disciplines: Biology, Chemistry and Physics
- Language other than English (“e”) – Two years of the same language other than English or equivalent to the second level of high school instruction.
 - 2 years of the same Foreign Language

*Requirements **b, c, f, and g** will be auto-determined by the SIS!*

2. The A-G Student Tab

On the Student Dashboard page click on the Transcript tab. You will see a new A-G tab appear. Click on the A-G tab to see a student’s individualized A-G Report.

Notice a-g requirements a, d and e will need human interaction to determine if the requirement has actually been met. Clicking on the blue text in any of these areas will display the state definition indicating what fulfills the requirement to help you make your decision.

Transcript Requirement Waivers				
b	a-g English 9/10 A	Semester 2 (Spring) 2014 - 2015	A	5.00
b	ENGL 2 - Reading and Composition - Butte College	Semester 1 (Fall) 2015 - 2016	A	10.00
b	ENGL 11 - Communication and Critical Thinking - Butte College	Semester 2 (Spring) 2015 - 2016	C	10.00

Requirements met? Unknown, please set. Set to: <input type="checkbox"/> Yes <input type="checkbox"/> No				
a	Spanish 1 D	2013 - 2014	A	5.00

3. The New a-g Requirements Report

[Reports>Transcripts>A-G Summary]

In the LCFF State Priorities Snapshot, the State now tracks how many 4-year Cohort seniors graduated from school meeting the a-g requirements. As a result schools want to track in advance the number of high school students who are on-track with their a-g requirements. Our A-G Summary Report allows counselors and advisors to view students and whether or not they are on-track.

Drilling down on the A-G Met column (at the end of the report) will provide access to a Students individual A-G Requirements Page. This allows an advisor or counselor to address subjects with yellow indicators as those subjects require human determination of eligibility.

The earlier in a Student’s High School career the a-g requirements are addressed the better chance that graduating seniors will meet all a-g goals by the end of their 12th grade year.

Local ID	Student Name	Grade Level	Enroll Date	Exit Date	"a" Social Studies (20 Credits) ?	"b" English (40 Credits) ?	"c" Mathematics (30 Credits) ?	"d" Laboratory Science (20 Credits) ?	"e" Foreign Language (20 Credits) ?	"f" VAPA (10 Credits) ?	"g" College Preparatory Elective (10 Credits) ?	A-G Met ?

4. Exhibit A: The a-g Subject Requirements (15 courses)

- History/social science (“a”) – Two years, including one year of world history, cultures and historical geography and one year of U.S. history, or one-half year of U.S. history and one-half year of American government or civics.
 - World History; Cultures and Historical geography
 - U.S. History
 - OR
 - ½ year of US History
 - ½ year of American Government OR Civics
- English (“b”) – Four years of college preparatory English that integrates reading of classic and modern literature, frequent and regular writing, and practice listening and speaking.
 - 4 years of English
- Mathematics (“c”) – Three years of college-preparatory mathematics that include or integrate the topics covered in elementary and advanced algebra and two- and three-dimensional geometry.
 - 3 years of Mathematics
- Laboratory science (“d”) – Two years of laboratory science providing fundamental knowledge in at least two of the three disciplines of biology, chemistry and physics.
 - 2 years of Lab science in at least 2 of the 3 disciplines: Biology, Chemistry and Physics
- Language other than English (“e”) – Two years of the same language other than English or equivalent to the second level of high school instruction.
 - 2 years of the same Foreign Language
- Visual and performing arts (“f”) – One year chosen from dance, music, theater or the visual arts.
 - 1 year of VAPA
- College-preparatory elective (“g”) – One year chosen from the “a-f” courses beyond those used to satisfy the requirements above, or courses that have been approved solely in the elective area.
 - 1 year of an a-g Elective

FAQs

1. **QUESTION:** Where can I go to see a list of all the a-g Courses our school has registered with the UC/CSU system?

ANSWER: To find the list of the a-g Courses your school has registered with the UC/CSU system go to:

<https://hs-articulation.ucop.edu/agcourselist#/list/search/institution>

Enter the name of your school and hit enter to see your current list of courses.

The screenshot shows a web browser window with the URL <https://hs-articulation.ucop.edu/agcourselist#/list/search/institution>. The page header includes the University of California logo and the text "A-G Course List". Below the header, there are two search options: "Course List Search" and "INSTITUTION SEARCH" (which is underlined and selected). To the right of "INSTITUTION SEARCH" is "A-G COURSE SEARCH". A yellow horizontal bar separates the header from the main content area. The main content area has a "Filter Results" section with the heading "By institution type". Under this heading, there are seven checkboxes, each followed by an institution type and a count in parentheses: "School (2834)", "Online Publisher (73)", "Program (100)", "District (482)", "School Network (19)", and "Community College (112)". At the bottom of the filter section is a search input field with the placeholder text "Institution name or College Board Code" and a magnifying glass icon on the right.
