Attendance Codes and Claim Override

When students are marked absent or tardy, schools enter a code for the type of absence. This manual explains how to set up the codes your school will use and the two ways you can mark the codes for the absent days.

I. Setting Codes your School Will Use

• Step 1. In the SIS go to Admin>Attendance>Admin>Attendance Codes

Add Attendance Code

Code:	
Celor:	Choose
Brief Description:	
Attendance Target:	(CB) Classroom Based •
Apportioned:	No Ves
Excused:	No Yes
Perfect:	No Vis 'Perfect' means that this attendance code is considered analogous to 'Present' and is eligible to be considered in the "Perfect Attendance" report.
Tally As:	Do Net Taby - • Taby A taby
Show in Admin Override	© No. © Yes

• Step 3. Fill in the following fields:

-Code: What do you want the code to be.

-Color: Choose a color that will be distinct and has not been used yet.

-Brief Description: Enter a brief description so other people will know what the code is.

-Attendance Target: What type of attendance is this code for.

-Apportioned: Will this code allow apportionment?

-Excused: Will this code mark the day as excused?

-Perfect: Will this code be considered analogous to 'Present' and be eligible to be considered in the "Perfect Attendance" report.

-Show in Admin Override: Will the code be available on the Administration Claim Override Report.

• Step 4. Click the Save Changes button. Now the code will be shown as an option on the attendance Codes page.

II. Overriding Attendance Claims

• Step 1. Go to Admin>Attendance>Admin>Attendance Claim Override
