# Barcode / Scanned Attendance - Administration

## Overview:

- School Pathways scanned attendance is 100% compatible with all biometric scanning solutions (fingerprint and retina), as well as onsite badge printing solutions.
- Scanning can be done online or offline in case of power and internet outages. Simply synch your ReportWriter software when you are back online to upload the informational attendance.
- Informational attendance can currently be tracked for students and staff in many situations such as campus attendance, class attendance, and field trip attendance. School Pathways is currently developing parent attendance and assets management.
- SB740 Funding: Most charter schools are required to spend 80% of their funding on students, and can only spend 20% on administrative overhead. Most of the time, these schools have to count building costs as administrative overhead. Tracking time that students spend at the campus receiving instruction allows schools to deduct building costs as education delivery costs (in the 80% column), rather than as administrative costs. Coordinate with your auditors for the specifics of how to do this. Our SB740 report provides the raw data for this process.
- Attendance taken with this software can only be used for advisory purposes, as the California Department of Education requires ADA attendance to be taken by the teacher.
- To view a list of suggested scanners and badge printers, go to Help > Recommendations > Hardware in the SIS menu.

## Setup Process

- Barcode attendance must be setup for your school. Please contact a School Pathways representative to get more information and pricing.
- FOR OFFLINE ATTENDANCE TRACKING: Download ReportWriter software to your computer(s). ReportWriter will need to be installed on each computer which will be receiving the scans.
- Set your number prefix: Administration > Settings » Policies. Click on Barcode Attendance. Set your prefix for both Student ID and Staff ID (this will show at the beginning of each student's barcode badge number):

- Make sure the students are enrolled in at least one classroom based class.

## Printing Badges:

If you are going to use badges, you can print them by going to Administration > Attendance > Badges:

The screenshot shows the SP818 Administration interface. The top navigation bar includes links for SITE HOME, ADMINISTRATION, CLASSES, TEACHER PAGES, CMS/BRAINHONEY/BUZZ, PARENTS - STUDENTS, HELP, and LOG OUT. The ADMINISTRATION menu is expanded, showing sub-menus like Attendance >>, Reports >>, Administration >>, Badges >>, Archived Overview, Approve Stack, and Website Management >>. The Badges >> sub-menu is further expanded, showing options for Load new background, Badge Settings, and an Upload button. A tooltip message states: "The file type MUST be a PNG", "file measure approximately 1,248x768 pixels", and "there should be an area of white @ bottom approximately 1,248x150 pixels". Below the tooltip, there is a "Choose File" button and a "No file chosen" status.

1. Choose the students you wish to print (or have printed by a badge printing service). You can limit your search by Education Program, Primary Class Offering, Teacher of Record, Gradelevel, dates enrolled, and/or search by individual student.

You also need to choose your badge style. If you are using backgrounds, make sure the option with “Badge Backgrounds” is chosen!

When finished, choose “Print Selected”.

plsis:barcode\_attendance\_administration [https://schoolpathways.com/knowledgebase/doku.php?id=plsis:barcode\\_attendance\\_administration](https://schoolpathways.com/knowledgebase/doku.php?id=plsis:barcode_attendance_administration)

Reeves, Jason William

- Note that the number at the bottom of the barcode follows the following format: the letter is the prefix you set in the policies area. This alerts the staff whether they are a student or a staff member. The numbers are the student's local number.

# Campus Attendance

(Note: If you are taking campus attendance, you will need a scanner setup at each entrance and exit to the building.)

Barcode attendance can be taken either online or through ReportWriter (Offline Attendance).

## Online Attendance through the SIS:

- Go to Admin > Attendance » Online Scanner:

- Enter in the Location ID for the campus:

You will need to enter in the Location ID (Loc ID) of the campus . To find this in the SIS, go to the list of classes for the Learning Center or the Instructor's class list:

## Barcode Scanner (Beta)

Reeves, Case Scan Successful

Location

Loc ID

Action

ID:

*(Scans will not be recorded  
if Internet service fails)*

This initial scan confirms the student is on campus. The second scan will show the student as off campus. If a “bad scan” is completed (such as an unreadable barcode or an invalid student number), the system will alert with a loud noise and a big 0 with a line through it:

The image shows a web-based interface for a Barcode Scanner (Beta). At the top, there is a blue navigation bar with links: Admin, Reports, Academies, Teachers, Portal, and Help. Below the navigation bar, the title "Barcode Scanner (Beta)" is displayed, followed by a status message: "Scan pattern is invalid". On the left side, there are several input fields: "Location" with the value "lc", "Loc ID" with the value "232", "Action" with the value "present", and "ID:" with the value "X". Below these fields is a "Save" button. A large, red, 3D-style prohibition sign (a circle with a diagonal line through it) is prominently displayed on the right side of the interface. At the bottom left, there is a note: "(Scans will not be recorded if Internet service fails)".

### Offline Attendance through ReportWriter:

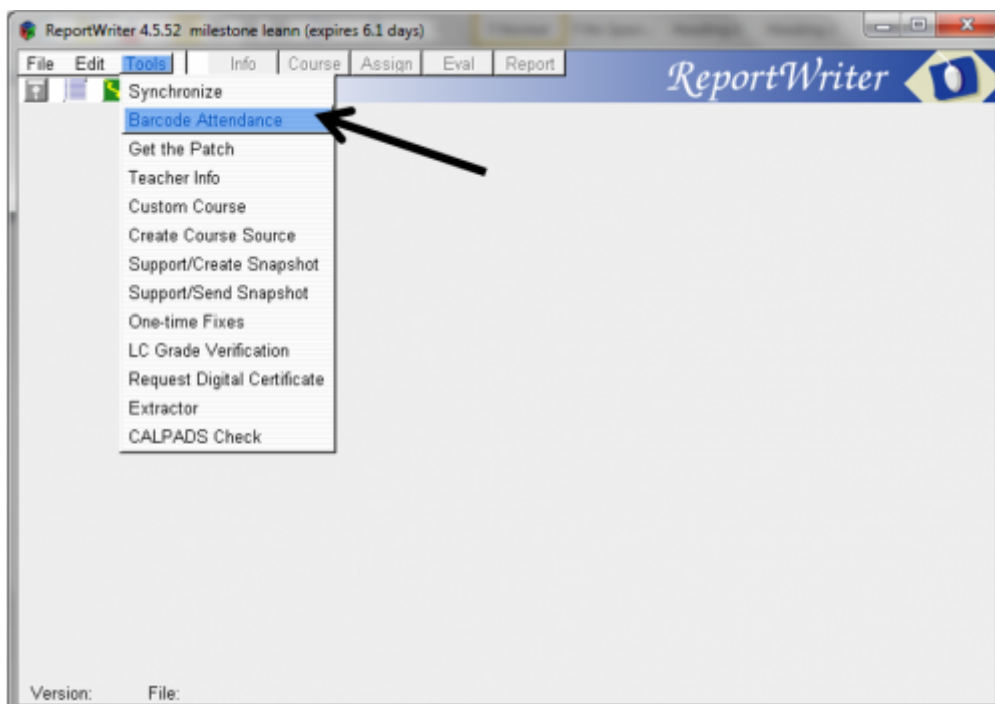

Log into ReportWriter to begin a claim for any student. You will need to complete two initial synchs - one to download the software, the second to download all student pictures and information.

A login dialog box titled "R/W 4.5.52 Login". It contains three text input fields: "User Name:" with the text "leann", "User Password:" with masked characters "\*\*\*\*\*", and "School:" with the text "milestone". Below the fields are three buttons: "Help", "Exit", and "OK". Further down are two buttons: "Configure" and "Get the Patch", followed by a button "Test My Connection". At the bottom left is a checkbox labeled "Error Logging". At the bottom right is a logo featuring a blue square with a white mouse cursor icon over a green and yellow background.

Scan the student or manually enter the student's number:

As with the campus attendance, the first scan shows the student in the class, and the second scan shows the student out of class.

Once a student has been scanned into the class, a barcode symbol will show in the teacher's attendance for the day. This will help the teacher decide whether to claim the student with ADA Present Attendance. There is also an icon that will show the student as either on campus (green circle) or off campus (red circle with line through it).
