Contact Manager

[2017-03-01_14.03_webinar_-_contact_manager_ls_gtm_.mp4](#)

Contact Manager is a tool all staff can use to track comments/contacts with students and their families. Contact lists are automatically created for teachers that have an association with the students through homeroom or as independent study supervising teachers. Quickly allows staff to note time, focus, and outcomes of any meeting with any student. In addition, there is an option to send notifications to specific individuals, regarding the specific contacts.

The **Student Engagement** feature integrated into **Contact Manager** allows a school to track any instructional sessions for any student across time. Any staff member who deals with any student can leave brief information regarding:

- Time spent with the student (minutes, hours). This can be documented in the past or automatically in the present.
- Any type of educational activity can be tracked: phone, in-person, class time, small group instruction, tutoring, email, etc.
- Time and subject matter information can be left for every student in a class or for an individual student.

Depending on permissions set, some users will be able to view all contact lists while others will be able to only view the homeroom teacher's/independent study teacher's contacts if they too teach the student.

Access to Contact Manager

- Contact Manager can be accessed from four vantage points:

1. Administration > Student Info > Contact Manager

1. If you enter Contact Manager via this route, you have the ability to select and view contacts for any Staff if Security privileges allow

The screenshot shows the Contact Manager interface. At the top, there is a navigation bar with tabs: View Students in List, Contact Report, Weekly Schedule, Monthly Schedule, Calendar View, Student Profile, Meeting Student, Schedule Planning, and Settings. Below the navigation bar, there is a section titled 'Select Staff to View Roster List' with a dropdown menu showing 'Rebecca Larkin' and a 'Select' button. This section is circled in red. Below this, there are filters for 'Restrictions' (School Year: 2016-2017) and 'Range' (Entire School Year: 08/28/2016 - 05/26/2017). There are also buttons for 'Show Historical Contacts' and 'Update'. Below the filters, there is a section titled 'Associated Student Contacts' with a dropdown menu showing 'Showing contact list for 12th grade, which currently has 88 students in it' and buttons for 'Show All', 'Show Independent Study', and 'Select PLD Class'. At the bottom, there is a table with columns: Staff, Student, Enroll Start, Enroll End, Contact Now, and Contacts Found. The table lists three students: Brown, Suzanne; Casey, Janet; and Chang, Mary, each with a 'Contact Now' button and a 'Show Contacts' button.

Staff	Student	Enroll Start	Enroll End	Contact Now	Contacts Found	Show Notes
	Brown, Suzanne	07/13/2016	Current	Contact Now	0 (Last contact on 02/26/2017)	Show Contacts
	Casey, Janet	06/23/2016	Current	Contact Now	1 (Last contact on 08/19/2016)	Show Contacts

2. Teacher Pages > Contact Manager

1. If you enter Contact Manager via this route, you only have the ability to select and view contacts for your rosters (Homeroom, PLS Classes, LC Classes, HQT Classes, SPED, etc.)

The screenshot shows the 'Contact Manager' interface. At the top, there's a navigation bar with options like 'View Students in List', 'Contact Report', 'Weekly Schedule', 'Monthly Schedule', 'Calendar View', 'Schedule Viewer', 'Enrolling Students', 'Schedule Reporting', and 'Settings'. Below this, there's a 'Select Staff to View Roster List' dropdown with 'Renee LARIN' selected. A 'Select' button is next to it. Under 'Restrictions', there's a 'School Year' dropdown set to '2016 - 2017' and a 'Range' dropdown set to 'Enroll School Year: 09/01/2016 - 09/01/2017'. Below these are 'Enroll Start' and 'Enroll End' date pickers. The 'Associated Student Contacts' section shows 'Viewing contact list for 12th grade, which currently has 88 students in it'. There are buttons for 'Show All', 'Show Independent Study', and a 'Select Class' dropdown. A yellow arrow points to this dropdown. Below this is a table of student contacts.

Contact Manager Upload

Schools now have the ability to do an upload of data into Contact Manager by uploading a CSV file containing contact log information.

The Contact Manager upload tool can be found at **Reports > Students > Contact Manager Upload**

You will need to create a CSV file with the column headers pictured below. The **Red** fields are required for a successful load, while the others are optional. Once you have the file ready to upload, click on the Choose File button, browse for the file on your computer, select the file, then click the blue Import button.

• General Header Notes:

- **Student ID:** Local ID or **Student Number** - Legacy/External ID
- **Contacted By:** Username of the person that is doing the upload and pushing the upload button
Example: jdoe
- **Contacted For:** The staff member for which you are loading contacts. It could be the Homeschool Teacher, Counselor, yourself, etc. Spell out the staff name in the following format: Last Name, First Name. This will tag the Staff Name in the log for the student under "Contacted For".
- If there is a **Duration** entered, there is no need to enter **Finish Time**. Only **Start Time** is required.
- IF there is **NO Duration** entered then you would need to have both a **Start Time** and **Finish Time**. The Duration will then be populated on load.
