# Creating New Staff - School Level

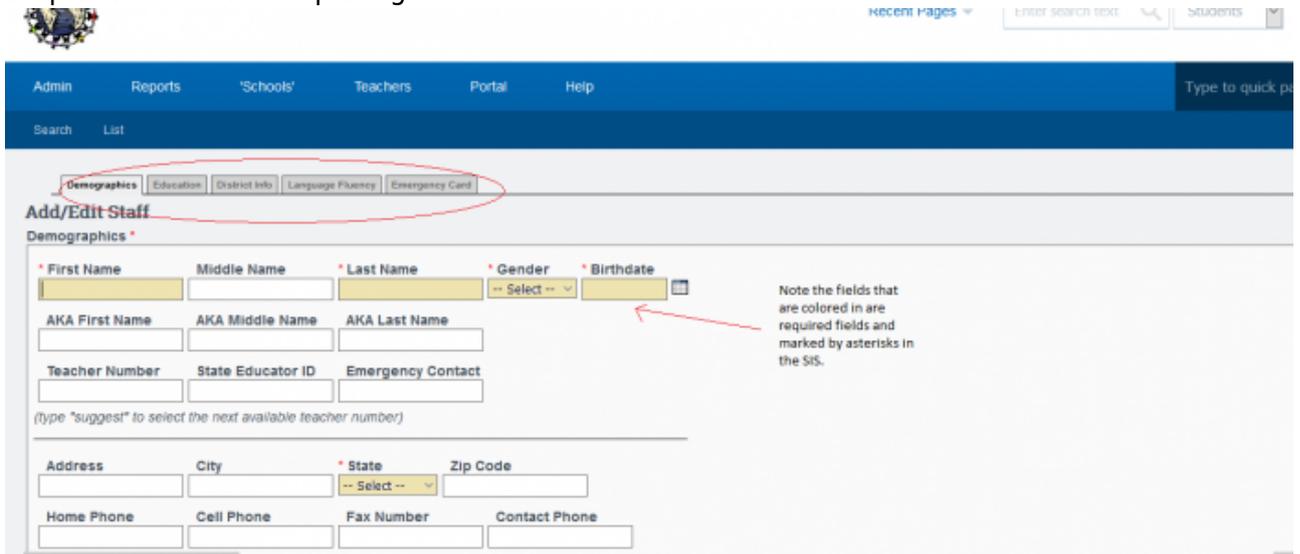

Please remember these important facts when working in the SIS. The SIS currently enables two menu styles, Classic and Modern. These Manuals are constructed with the Modern Menu in mind. If using Classic, the locations of certain procedures may vary.

## A. Staff Information

- Step 1. Go to Admin>Staff Info> Find/Add Staff
- Step 2. Always search for the staff member first, to make sure they are not already in the SIS from a previous employment

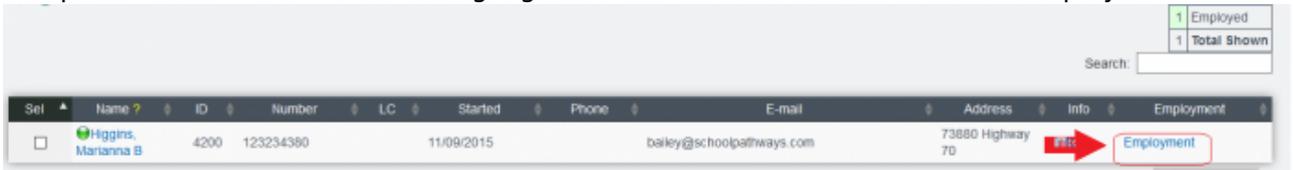

- Step 3. If they are not in the system, click ADD NEW STAFF
- Step 4. Complete as much information on the Demographics, Education, District Information and Language Fluency tabs as possible. In the District tab, the Staff Login will be completed in step B
- Step 5. SAVE after completing final tab

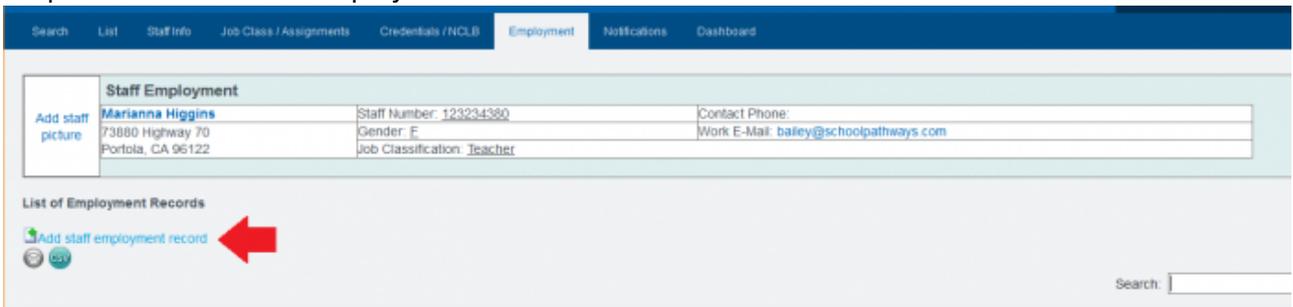

## B. Employment Data

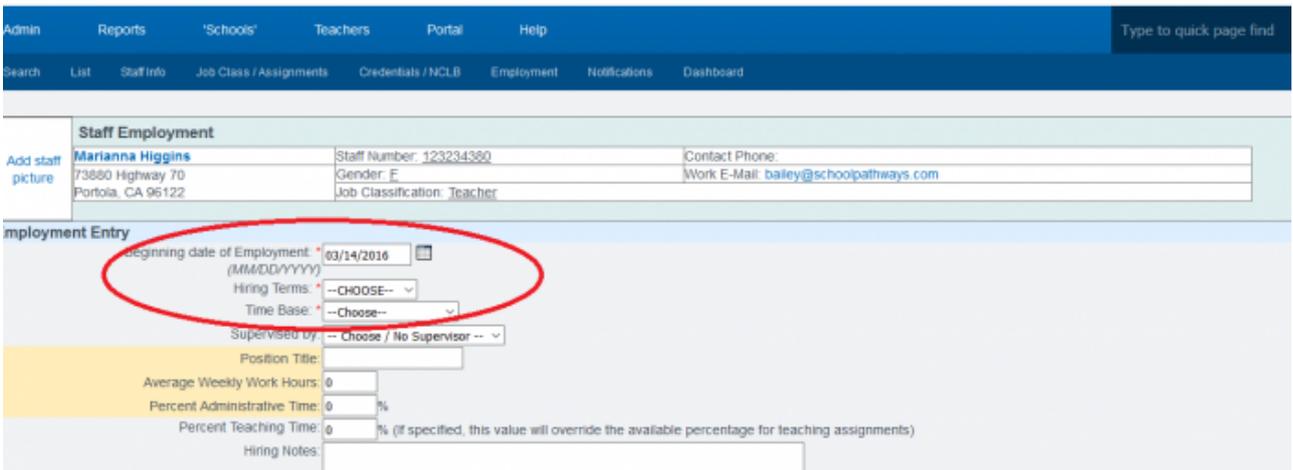

- Step 1. Complete the employment tab. You will know if the employment tab has not been completed if the staff member is highlighted in red on the staff list. Click on Employment

- Step 2. Click Add Staff Employment Record

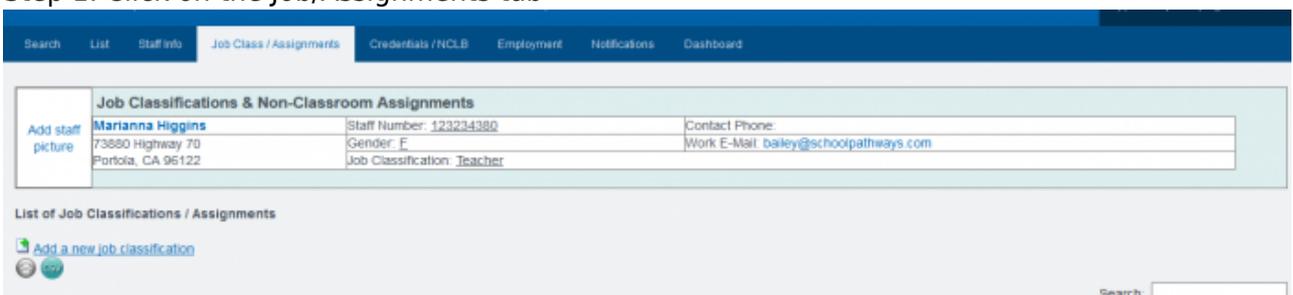

- Step 3. Fill in required fields which are: Start date, Hiring Terms, and Time Base. SAVE

## C. Job Classification/ Assignment Information

To complete information for highly qualified and classified staff for State Reporting-CALPADS, complete the following:

- Step 1. Click on the Job/Assignments tab

- Step 2. Choose add new job classification
- Step 3. Select the Job Classification field. If a teacher, enter the FTE (what % of their day is spent teaching.) If a Classified member, choose the Job Classification and then select from one of the checkboxes below. Do NOT enter an FTE for a classified staff member.

**Add Job Classifications and Non-Classroom Assignments**

Job Classification: -- Select --

FTE Percentage:  %

Select all non-classroom assignments for this staff member under this job classification and click Save when done

 Manage Student Login Accounts

Parent Logins / Users  
 Manage Parent Login Accounts

• Step 2. Click Add New User

• Step 3. Type in the first initial and last name of the new staff member for the Username

• Step 4. Choose a simple password by following the instructions on that page. We typically enter a simple password to get the staff member started in the system as they will be required to set a new password on first access to the system. SAVE

• Step 5. Back on the list of staff names, click on the "Unlinked Accounts" button, click UPDATE then find the new staff member in the list. To the right of the staff member's name, click on set details

• Step 6. Click on the EDIT LINK TO icon 

• Step 7. Find the staff member's name in the list on the right. Click on the green circle button next to the staff member's name. This links the staff member's file the log in. If there is not matching name, steps A and B has not been completed.
