cte, course catalog

# CTE Pathways: Establishing and Tracking CTE Pathways in the SIS

#### **Basic Guidelines**

- A CTE Pathway equals a minimum of 300 hours of student engagement.
- For the latest CTE Pathways guidelines, consult the Career Technical Education Course Code Definitions by Sector and Pathways 2017-18 Users Guide
- A CTE Pathway Completer must make a grade of C- or better in all Pathway courses.
- Dual-Enrollment CTE Courses always use the CTE Course Code (NOT the academic Dual-Enrollment Course Codes(. They are designated in the Non-Std Instructional Level drop-down as "College Credit".

# 1. Establishing CTE Courses in the Course Catalog

Enter CTE Courses in the **Master Course List**. Consider using the *CTE Industry Selector Code* as part of the Local Course Code for quick reference. For example, the "Arts, Media and Entertainment Sector (AME)" in **Graphic Design** might have local course codes of **7210-1**, **7211-1** & **7212-1**. By adding the Sector Code - **7210-1** AME - it becomes easier to quickly find the appropriate courses when searching and setting up CTE Pathways

Maste	Master Course List Match Classes to Courses			Prerequisites			Inst	Instructors								
All	Course Code	Version	Name	State Code	СТЕ	Tech Prep	AG	Crd	Trans Category	Curriculum Category	NCLB	IS	Reported to State	Distance	NonStd Level	Se
	7210-1 AME	1	Introduction to Graphic Design (Introduction)	7210	Yes			5	Electives	Electives	N	N	Υ	N	No	
0	7211-1 AME	1	Intermediate Graphic Design (Concentrator)	7211	Yes			10	Electives	Electives	N	N	Υ	N	No	
0	7212-1 AME	1	Advanced Graphic Design (Capstone)	7212	Yes			10	Electives	Electives	N	N	Υ	N	No	

**NEW CALPADS REQUIREMENT AS OF 9/2017** 

A CTE Course taught by a Credentialed CTE Teacher should be marked as a 154 Course for CALPADS reporting.

## 2. Setting up the CTE Pathways

## A. Go to Admin>Transcripts>CTE Pathways Setup

- 1. Choose the arrow next to the **CTE Pathway Code** for which you wish to develop a Pathway.
- 2. Click on the arrow and then click on + Create New Pathway

- 3. First, Name the **Pathway**. Realize that you may have more than one way of delivering the courses in a Pathway. For example **Basic Agriscience** and **Dual-Enrollment Agriscience**.
- 4. Next, choose the courses to be associated with the **Pathway** by clicking on **+Add Course**. (Note a CTE Pathway supports a minimum of 2 courses. When there are only 2 courses, the first course will be a **Concentrator Course** and the second Course will be a **Capstone Course**.
- 5. Once finished, **Save chosen Pathway**.
- 6. Continue the above process until you have finished setting up all the CTE Pathways the school is supporting.

# **B. Setting up the Aligned Participations**

#### Admin>Transcripts>CTE Pathways Setup

After setting up the CTE Pathways, continue down to "2. Select the Aligned Participations Opportunities to populate in the drop-down."

**Aligned Participations** are the activities a student might engage in while enrolled in a CTE Course. The SIS lists many of the more obvious activities and we will also allow schools to add Aligned Participations of their own...

These Aligned Participations will appear on the Student's Individual CTE Page in the SIS.

# 3. CTE Student Pages

## **Student Dashboard>Transcripts>CTE**

- 1. To get to the CTE Student Page,
  - 1. Start from any **Student Dashboard**.
  - 2. Click on the **Transcripts** tab.
  - 3. The **CTE Tab** is to the right of the Transcripts tab.
- Each Student has their own CTE Page.

- 1. If a student decides to follow a CTE Pathway, this is where the school/teacher/counselor goes to establish the CTE Pathway chosen.
- 2. Should a student decide to **change their CTE Pathway**, previous courses will remain if they are also a part of the NEW Pathway chosen.
- 3. A student can work on more than one CTE Pathway at a time.
- 3. Pick the appropriate CTE Pathway from the drop-down and click SAVE.

- 4. Automatically all the courses necessary to complete the Pathway will display
  - A green highlighted box indicates that the Course is already Completed
  - A yellow highlighted box indicates that the Course is In Progress.
  - A red highlighted box indicates that the Course is not yet on the Master Agreement.
- 5. When a student engages in CTE Aligned Participations,
  - Click on the arrow next to Aligned Participations,
  - choose all activities that apply and
  - hit the **SAVE** button.

These activities will then remain displayed. You can always add more participation later if desired.

6. Check a Student's CTE PATHWAY yearly so you will know which pending CTE courses to assign for the upcoming School Year

# **FAQs**

1. **QUESTION**: Which academic courses can LEAs designate as part of a Career Technical Education (CTE) pathway?

**ANSWER**: LEAs that are populating field 9.10 (CRS-Course Content Code) with Code 154 (Career Technical Education) must now ensure that Code 154 is only used with specific academic courses that have been identified by the California Department of Education's Career

Technical Education (CTE) Program Office as courses that would be logical parts of a CTE course sequence. **Code 154 can only** be used with the courses listed in the table below. Using code 154 with any academic course **not** listed below (not including any CTE courses in the 4000-5999 range) will result in a fatal error.

Course Content (Code Set Name: Course Group State)				
IB Music				
AP Music theory				
Computer programming				
Computer science				
Web design				
IB Computer science				
AP Computer science A				
AP Computer science AB				
Aerospace education				
Aviation education				
Oceanography				
Conservation				
Aviation education				
Zoology				
Anatomy and Physiology				
IB Design technology				
AP Environmental science				
Law-related education				
IB Visual Arts				
AP Studio Art: Drawing				
AP Studio Art: Two Dimensional				
AP Studio Art: Three Dimensional				
IB Theatre				
IB Business and Management				

2. **QUESTION**: Is CTE really necessary in a Student's High School career? Is there any real difference between a student who takes a CTE Course and a student who completes a CTE Pathway?

**ANSWER**: Yes! The state encourages schools to have all students take at least an exploratory CTE course, however the state definitely encourages – and tracks – those graduating seniors who have finished a CTE Pathway during their high school career.

The current LCFF State Priorities Snapshot for every school tracks the percent of 4-Year cohorts that completed at least 1 CTE Pathway during high school. Additionally, the new state API for High School is including this same information as a significant indicator of a Student Achievement.

To see your school's LCFF State Priorities Snapshot go to www.cde.ca.gov/snapshot

3. **QUESTION**: Where can I go to see a list of the current state CTE course codes?

**ANSWER**: http://www.cde.ca.gov/ds/sp/cl/systemdocs.asp

4. **QUESTION**: Can you provide us with a sample of what CTE Pathways look like? We are just

beginning the process to see what Pathways our school will support and would love to see an example.

**ANSWER**: Here is an example of what a few CTE Pathways might look like:

Courses of Study by Pathway								
SECTORS	Introductory	Concentration	Concentration	Capstone				
Agricultur	and Natural Resources (AGR)							
<u>!</u>	Agriscience (Pathway Code 102)(609	6 Complete)						
	1 Intro to Agriculture	Plant Science*		Floralculture				
6	Agriscience (Pathway Code 102) (100% Complete)							
	2 Intro to Agriculture	Food Science 1A		Food Science 1B				
NA I	Animal Science (Pathway Code 103)	(80% Complete)						
$\mathbb{V}^-$	1 Intro to Agriculture	Animal Science*		Vet Science				
Arts, Medi	a, and Entertainment (ART)							
[	Design, Visual and Media Arts (Path	way Code 111) (100% Complete)						
	Principles of Arts, A/V Tech and Comm A/B (Ed)	Graphic Design and Illustration A (Ed) Graphic Design and Illustration B (Ed)		Digital and Interactive Media A (Ed) Digital and Interactive Media B (Ed)				
Design, Visual and Media Arts (Pathway Code 111) (100% Complete)								
	Principles of Arts, A/V Tech and Comm A/B (Ed)	Professional Photography A (Ed)		Professional Photography B (Ed)				

5. **QUESTION**: Can a student be enrolled in more than one CTE Pathway?

**ANSWER: Yes!** A student can be enrolled in multiple CTE Pathways.
