Setting Up Dual Enrollment College Courses for academic courses in the Course Catalog:

Suggestions for noting Dual-Enrollment College Courses in your Course Catalog to make it easy to find the Dual-Enrollment Courses you are supporting:

- Use an acronym or a short description of the specific College in the course name (e.g. **FRC CHEM10 - General Chemistry II** or **CC Introduction to Literature**, etc.)
- List the exact name of College Course as listed in the College Course Catalog.
- **USE** one of the **CALPADS COURSE CODES for Dual Enrollment courses** (see College Course Codes listed at the top of this article.)

- **Choose a Dual Enrollment College Course code** for any dual-enrollment Course. (CTE Dual-Enrollment courses will be covered later in the article.)
- Consider copying/pasting the Description of the College Course **as it shows in the specific College Catalog** or leave the description more generic if desired.
- Suggestion: in the **Non Std Instructional Level** field, be sure to **pick College Credit** from the drop-down if you want to be able to quickly sort the column to find all your Dual-Enrollment courses. This is **NOT Required**, though choosing this field is highly recommended for quick-sorting purposes.
- ***Important Note: Do NOT check the boxes for Independent Study and/or Distance Learning for dual-enrollment College Courses!***
- **SAVE** changes.
