

Enrolling in Special Programs

Please remember these important facts when working in the SIS.

The SIS currently enables two menu styles, Classic and Modern. These Manuals are constructed with the Modern Menu in mind. If using Classic, the locations of certain procedures may vary.

Setting Special Programs

- Go to Admin»Settings»Special Programs
- Enter in any checkbox on the left of the screen that you would like available to you when you enroll a student in a special program

Select which special programs are available at this school, and select the corresponding Education Type to use in Report Writer. Click on to see the definition of the program. Click inside the box to close it.

Student Enrollment in Special Programs

Only staff members with security permissions can access Special Education fields in the student enrollment area

- Step 1. Click on the green plus under current enrollment area for any student
You are taken to a new window where you can add the program to the student’s file
- Step 2. Choose the Program type
If you have permissions, more fields will open where specific details about the enrollment can be entered. If you do not have accessed through the Accommodations tab at the top of the page by permission
- Step 3. Enter a start date of the student’s enrollment in this program

- Step 4. If you have a trigger email established for this program type (see section 3 below for more information) click the envelope icon to send a notification for this enrollment.
- Step 5. SAVE the page. Special Enrollment will appear under the school enrollment

If a special enrollment for Special Education, 504 plans, or English-Language Learner is chosen, an asterisk will appear on the student's dashboard as notification. If the asterisk is not completely colored in, there is missing required information

Clicking on the asterisk allows those with full permissions to see all information regarding this enrollment. If a user does not have full permissions, they will only see the accommodations area

Trigger Emails

You can set a trigger email to alert someone of the enrollment in a Special Education Program or an English Learner Program

- Step 1. Go to Admin»Student Info»Find/add Student
- Step 2. "Set special program recipient in Page Policies" when on the special enrollment page by clicking Options in the bottom right hand corner

- Step 3. Click on Page Policies tab
