

Master Agreement Compliance

Master Agreement Compliance is a new feature that allows school admins to review the state of a master agreement (states described below) and also allows teachers to keep track of where they are in the process of creating master agreements. This report works for colors red, and orange for all master agreements functions. The colors yellow and green only work for **electronically** archived master agreements (no manual uploads to the archiving system).

TIP: This new feature should be turned on no earlier than July 1 of 2017. You should contact your School Pathways account manager with help turning on these features. Contact your SP Account Manager to activate this new feature as turning it on without full comprehension of what it does could cause issues. Most importantly, any check marks for the 16/17 school year and previous years will revert to RED. Find this under Admin>Security>Policies»Archiving>#11. Set to YES.

Compliance Report

When this feature is turned on, there is a Master Agreement Compliance Report available for all PLS students. Find the report under Teachers>Compliance>Master Agreement Compliance Report. The report shows the status of all student Master Agreements.

The permission element for this report is **admin/reports/ma_class_status.php**. Setting this will allow teachers to view only their master agreement report. It has been added to the following groups.

- Teachers – PLS Individualized Learning
- Teachers – PLS Individualized Learning w/Customized Curriculum

The permission group for this report that allows an administrative person to view the report is **admin/reports/ma_class_status.php#OTHERS**. This has been set for the permission group titled:

- Archiving Administrator

Column color coding on the report

- **Not Created** A master agreement has not been initiated or the default settings have been saved but nothing has been printed nor signatures requested. If a master agreement is approved, a red color could also mean one or more classes for this student are new since the original MA was created. The option of an additional class causing the system to change back to red is only available for schools using electronic archiving. Master agreement has been accepted in the archive compliance area.
- **Printed or Signature Requested** The master agreement has been physically printed or signature invites have been requested. If the master agreement has been printed, the system has no way of knowing if signatures were obtained and the master agreement was filed. Therefore, printed MAs will not have use of any further color code changes.
- **Awaiting Review** The master agreement is submitted and ready for review in archiving compliance. This color only available for schools using electronic archiving.
- **Compliant** Master agreement has been accepted/approved by the school in the archive compliance area. This option is only available for schools using electronic archiving.

Status ? Marion, Crow

In the above example, the student had a completed master agreement at one time but then another class was added (Social Studies) so the master agreement check turns red again and you see which class is not included on the original in the MA Title column. The other classes are still denoted with a yellow status because the office has not approved the Fall 1V1 instance in the archiving system.

You might also run into cases where the first master agreement created was ignored (not approved) but a subsequent MA was approved. That would look like this in archiving. The first one should have

been “skipped” instead of ignored. Things like this happens when a date is incorrect or something similar.

The screenshot shows a comparison of two document entries in a system. The first entry is for 'Flores, Jakob' and is marked as 'Unapproved'. The second entry is for 'Fall Addendum 1' and is also marked as 'Unapproved'. Both entries show the same metadata: Source: sis, Archived: 12/21/2016, Uploaded: 12/21/2016, Login: leann, and Teacher Notes. The 'Unapproved' status is highlighted with a yellow background.

Once the MA (or in the case shown below, the Master Agreement Addendum) is re-submitted, you'll see the new name of the file and the color coding changes to reflect the new status.

The screenshot shows a 'View Classes' page with a list of classes. The last row, 'Fall Addendum 1', is highlighted with a red box. The page includes columns for MA Title, Date Initiated, Start Date, Finish Date, Trk, Class Name, Curriculum, Cr/Wk, Trans Cat, Teacher, and Status. The status for 'Fall Addendum 1' is shown as 'Unapproved' with a yellow background. A blue arrow points from the 'Fall Addendum 1' row to the 'Status' column.

New PLS/Student Roster Updates

1. Color-Coded Checks

The ✓ colors are also reflected on the PLS Student Roster. If a new class is added, the color check will change to reflect the need for a new MA or new Addendum.

The screenshot shows four student records in the PLS Student Roster. Each record includes a 'Semester 1 (Fall) (2016 - 2017) A' entry with a checkmark (✓). The students are Jones, Marcia; Knowles, James; LaMar, Nicole; and Lassiter, Jared. Each record also lists other courses and their status.

Student	Class	Status
Jones, Marcia	Semester 1 (Fall) (2016 - 2017) A	✓
Knowles, James	Semester 1 (Fall) (2016 - 2017) A	✓
LaMar, Nicole	Semester 1 (Fall) (2016 - 2017) A	✓
Lassiter, Jared	Semester 1 (Fall) (2016 - 2017) A	✓

2. Warning of non-compliant Master Agreements

Another feature is a reminder to teachers which students have non-compliant master agreements. When the PLS Student Roster opens or refreshes, teachers will see a list of their non-compliant students on a red over-sheet. They can click the black X to close this and continue working.

TIP: In order to use this new feature, the school policy to allow the tracking of master agreements must be turned on. Because this is a feature that can erase how you tracked master agreements in the 1/17 school year, you must contact your SP Account Manager to turn this feature on. Starting in the 17/18 school year, you will have access to these new policies. Find this under Admin>Security>Policies»Archiving>#10. Set to YES.

The screenshot shows a software interface for managing student records. At the top, there are several tabs: '4-7 - California Math Triumphs, Volume 6 - Macmillan McGraw Hill Glencoe (2008)', 'Language Arts 6 (\$1.78780)', '6 - Language Arts 600 - Odysseyware (2010)', 'Physical Education 6 (\$1.78780)', 'Social Studies 6 (\$1.78780)', and 'K-12 - Social Studies - Courts (2010)'. Below these tabs, a red box highlights the 'Students Needing Master Agreements' section. This section lists student names and their corresponding master agreements: Bennett, Marcia (Science 6 (Brenneman 16/17)); Creaggs, James (Exploratory Life Skills 6 (\$1.78780)); Dee, Danielle (Sewing 1 Brenneman); Foster, Shannon (Garcia, Maria (16/17); Garcia, Samantha (16/17); House, Michael (16/17); Morris, Jessa (78943); Smith, Carlie (1704); Smith, Compton (1704); Struthers, Fenton (1704); Thomas, John (78834); Watson, Ryan (78834)). To the right of this list is a table showing student details: Dee, Danielle (7, A, Portola, 96122, 11/11/2000, ddee@mailinator.com); Espinosa, Callum (8, A, Anytown, 55555 (555) 555-5555, 01/01/2002); Exeter, Jill (12, A, Portola, 96122 (530) 249-4039, 08/20/1998, jexeter@mailinator.com); Foster, Benjamin (11, A, Portola, 96122 (530) 249-2222, 04/05/2000, bfoster@mailinator.com). The table includes icons for edit, delete, and other actions.
