PFT Submissions Manual 2016-2017

California Physical Fitness Test (PFT)

Welcome to the California Physical Fitness Test (PFT) Web site hosted by the San Joaquin County Office of Education (SJC OE), the current state PFT contractor. This site is for collecting annual student PFT data from each local educational agency (LEA). An LEA is a school district, county office of education, or charter school that is independent for assessment purposes (i.e., independent charter school). The SJC OE scores and submits the LEA results to the California Department of Education.

Coordinator Registration

Every LEA needs to designate a PFT Coordinator by November 1 every year, even if the LEA uses a vendor or does not have students in grades five, seven, or nine. This ensures that the LEA will receive the latest PFT information and updates and be able to submit, review, and correct data, as needed.
