Registering New Students

Please remember these important facts when working in the SIS.
The SIS currently enables two menu styles, Classic and Modern. These Manuals are constructed with the Modern Menu in mind. If using Classic, the locations of certain procedures may vary.

I. Create Student Record

- **Step 1.** Go to **Admin»Student Info» Find/Add a Student**
- **Step 2.** Choose **Find/Add Student**
  - To find a student in the system
    - Type basic info such as last name and click Search
    - If you do a search on the student and no results are returned, no student by this name is in the system. If you see a list of students, make sure this isn't a Re-Enroll. Re-enrolls should be updated!
- **Step 3.** Click **Add New Student** button

The student registration pages are broken into sections by tabs. The sections that have required fields are highlighted in red below (they will be represented by red asterisks in the SIS)

- **Step 4.** Go through all the tabs and complete all required information. **This includes the following:**

1. Demographics tab (shown above)
2. Pre Reg & Prev School: Parent education level and the first two English Language Survey questions are required.
3. Family Information

4. Ed Level & Language Survey: Parent/guardian education level and language survey questions are required. If you only have information on one parent/guardian, choose "decline to state" on other parent/guardian. Can click "Set all values to English" for all English field entries.
5. ASAM (optional - see school policies to hide or expose this tab)
6. APLUS (optional - see school policies to hide or expose this tab)
7. NSLP
8. Accommodations/Release

- **Step 5.** SAVE record. If the student is NEW, the SAVE button is on the last tab. Once the initial registrations have been saved, a SAVE button will appear within each tabbed area.

If you stop the process at this point, the student will be registered in the school but not yet "enrolled." This student would be viewed on the main student list highlighted in red and be part of the intake roster
