# Special Program Enrollments

 Looking for more detailed information on the various special programs supported by School Pathways? [Click Here to view our Special Programs and Accommodations article.](#)

*Special Programs your school uses must be chosen....*

1. In Admin>Settings>Special Programs, choose the special programs you wish to use at your school.
2. You can create your own custom special programs.
  1. Click on the green plus button to add.  Also editable once created. Once added, the custom special programs will show with an edit pencil. Check the box to the left to use the new program.
