Special Program Enrollments

Special Programs your school uses must be chosen....

1. In Admin>Settings>Special Programs, choose the special programs you wish to use at your school.
2. You can create your own custom special programs.
 1. Click on the green plus button to add. Also editable once created. Once added, the custom special programs will show with an edit pencil. Check the box to the left to use the new program.

<input type="checkbox"/>		EIA/SCE - Targeted Assistance
<input checked="" type="checkbox"/>		EL Core
<input type="checkbox"/>		English Learner (EL)
<input type="checkbox"/>		ESEA/NCLB Title I - Part A
<input type="checkbox"/>		ESEA/NCLB Title I Part A - School wide
<input type="checkbox"/>		ESEA Title I Part A and Part D - Neglected

Once all special programs are set, go to student enrollments to enroll a student in a special program.

2. Find the special program(s) in the drop-down and enter a start date if different from the students first enrollment date in the school.
