

Staff Positions and Staff Oversight

There is now an updated method of tracking staff positions and staff that oversee other staff. With this update, searching for staff members that “belong to me” becomes easier too.

Part I. Create Position Titles

1. Go to any staff member's dashboard and click on the Job Class/Assignments tab.

2. Click to Edit Position Titles

3. You will get a list of the current titles you've used (deprecated from the staff employment tab). If you don't have any Position Titles or want to add new, Click the Add Staff Position Title link.
 1. Add the Position Title
 2. Who the supervisor of the position is
 3. If it should be hidden from view for future use
 4. If the position can be assigned to a student
4. If you have job titles you do not want to use anymore, you can EDIT and then DELETE them. If a deleted title has staff members “attached” it will ask you what Position Title you want to move them to.
- 5.

Part II. Setting up staff with Position Titles and staff oversight.

1. Go to any staff member's dashboard and click on the Job Class/Assignments tab.

2. Click to Add a new job classification or edit the current one.
3. The “job Classification” and FTE % as well as the non-classroom-based assignments (if not a

teacher) are VERY important to CALPADS. These must be completed even if you don't set up position titles for your staff.

- For any student, go to the Support Staff tab. Click the Add new support staff.

**Note: This is NOT for primary teachers or homeroom teachers. Primary and homeroom teachers are still assigned in their respective areas. An example of who might be assigned as a Support Staff is a lead teacher.*

Position titles of EL Coordinator, 504 Coordinator, 504 Case Manager, Nurse, SPED SAI Provider, Speech Therapist, Case Manager, Occupational Therapist, SPED Administrator, School Counselor (only available in Counseling tab soon), and Psychologist (only available in Counseling tab soon), are set in Special Accommodations tab only. These positions will be reflected in the Support Staff page soon.

Part IV. PLS Student Roster Oversight.

If a staff member is set up to oversee multiple teachers, when they log into the system and go to the PLS roster, they will now only see the teachers (and therefore the rosters) of the students their teaching staff oversee. If Mr. Smith oversees 10 teachers, when he goes to the PLS Student Roster, he will only see his 10 teachers in the drop-down of staff. Permissions like this will have to be done for each individual school as each school might use this differently. For example, at my school we have Regional Administrators.
