

Teacher Access to the Student Portal

Teachers can access the Student Portal by **jumping** in through the student link.

On any student dashboard there is a link to the portal. Click on the  to jump into the portal.

The image shows a 'Student Dashboard' for a student named SHANNON FOSTER, Grade: 9, Age: 14. The dashboard includes a photo of the student, her contact information, and her physical and mailing addresses. A red box highlights the 'Home' icon in the top navigation bar.

You can also access by using the icon on the QuickView. Hover over the student's name on any roster or student list to activate the QuickView.

Then click on the icon below the student picture to jump into the portal.

The image shows a student roster with two entries. The second entry for Foster, Benjamin is selected. A 'QuickView' box is overlaid on the student's photo, showing his details: Grade: 11, SSID: Not Assigned, Local ID: 78834, Enrolled: 07/18/2016 - current, Primary Teacher: Kathleen Brenneman. A red box highlights the 'Home' icon in the QuickView box.

Newsletters

You can create a newsletter or important events announcement and attach it to the portal for your students. Create the newsletter in any format (Word, PowerPoint, Publisher, etc.) and then save as a pdf document.

Once saved it can be uploaded in two different areas of the SIS.

1. At the Teacher PLS Roster (Teacher>PLS Student Roster), scroll to the bottom of the page.
2. At the Teacher's CMS classes, access to the far right of any of your classes.

Manage Newsletters

Communicating with students through the Portal. You can send assignment attachments, class notes, and personal notes through the class grade book to your students. See manual
