Student/Parent Portal View...

The screenshot shows the Student/Parent Portal interface for Molly Akuni. The top navigation bar includes a user profile icon and the name 'Molly Akuni'. Below the navigation bar is a sidebar with various links: Activities Log, Assignments & Grades, Reporting, News/Events, Class Attendance, Class Schedule, Tutoring, Resources, Class Registration, and Work Permits. The 'Work Permits' link is highlighted with a blue background. The main content area is titled 'Work Permits' and contains two buttons: 'Print Permit Application (B1-1)' and 'Print Volunteer Application (B1-6)'. A message below the buttons states: 'You currently do not have any finalized or pending work permits. If you'd like to request a permit, please click the 'Print Permit Application' button above, complete the form and turn it into your teacher or school.' The overall layout is clean and organized, typical of a school management system.
