# **Step 1: Starting the Permit Process**

## 3 ways to access the Intent to Employ form:

### • Student or Parent:

• From the Portal, click on the **Work Permits** tab. Print off the **Intent to Employ** form and take it to a potential employer to complete.

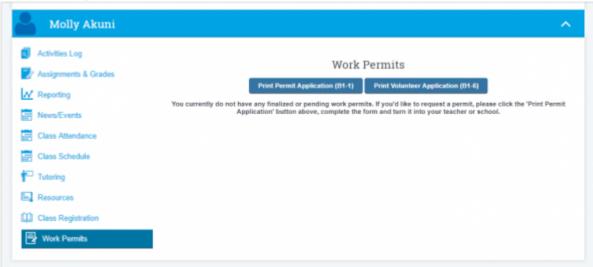

#### Teacher:

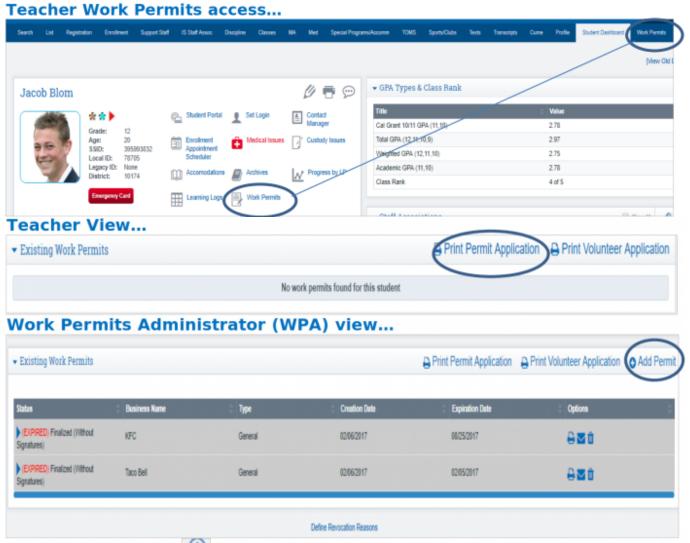

- From the Student Dashboard click on either the Work Permits icon or the Work Permits tab.
- Teachers have the ability to **Print the Intent to Employ form** for a Student.

### • Work Permits Administrator:

- The Work Permits Administrator (WPA) can gain access from either the Student/Parent Portal or the Student Dashboard
- The **WPA** can complete/print/archive/store the Intent to Employ (B1-1) form.
- The **WPA** can complete/print/archive/store the Final Work Permit (B1-4).
- Only the WPA can Add, Archive (or manually store) finalized Intent to Employ forms
  (B1-1) and Work Permits (B1-4) forms. Only the WPA can access archived work
  permit forms.

Student/Parent Portal View...

(Note: hovering over the 1 icon will give you in-depth information about something relevant.)

## Step 2: The Intent to Employ Form (B1-1)

The WP Admin clicks on **Add Permit** to finish filling in any required fields from the Intent to Employ form.

- The Expiration date will always default to the last day of the school year.
- The *hours that a student can work* will default to the hours permitted by the state based on the student's age.
- Clicking the Save button will move the status to Application Submitted
- Once the proper signatures have been submitted and reviewed by the WPA, click on the blue arrow next to Application Submitted
  - To archive the signed Intent to Employ form, scan the document to your computer, click on the Upload icon for the B1-1 form. Then, Upload the Permit with Signatures and look for the green Uploaded B1-1 Form display to indicate a successful save.
  - Click on the **Approve this Permit** button at the bottom of the page. This changes the status to **Permit Ready**

## Step 3: Generate the Permit to Employ and Work (B1-4)

- Click on the next to Permit Ready
- Click on the Finalize this Permit button at the bottom to Print the Work Permit
- After signatures have been acquired, scan the signed permit to your computer, click on the
  Upload icon for the **B1-4 Form** and upload/archive the Permit. Look for the green *Uploaded*B1-4 Form to indicate successful archiving (Manually store the permit if you do not have
  archiving).
- From the Student/Parent Portal, the Student/Parent can see the status change and Print the Work Permit.
