# **Fall 2 Compliance Report**

The Fall 2 Compliance Report is used to verify data **before** submitting files to CALPADS.

There are **four** tabs included in this report which show different areas which will be reported to CALPADS.

### **Staff Tab**

Any field in **RED** indicates either missing data or data that has been flagged as invalid. Click on the staff name in the leftmost column to navigate to the problem field to adjust the entry.

Once the Staff Tab has been cleared of all red fields, advance to the next tab.

#### **Course Tab**

The **Course** tab reflects all active courses from your course catalog along with required data fields. Adjust any **RED** fields by clicking on the title of the course and inputting or adjusting needed data.

If you see a flag in the **Fund Source** column, this indicates that you have selected an invalid combination of state course code and course fund provider code. Review these fields in your catalog to make sure they are set correctly.

Once the Course Tab has been cleared of all red fields, advance to the next tab.

### **Class/Section Tab**

The **Class/Section** tab shows all classes taken by students who were enrolled on Census Day. This page indicates the source (ReportWriter/Learning Center), Section Number, Term (Semester 1), Instructor, and which course code the class is linked to.

Once the Class/Section tab has been cleared of all red fields, advance to the next tab.

#### **Student Tab**

The **Student Tab** shows all students who will be reported along with their class count. If you see a student with **Class Count** marked as a **RED 0**, this means the student was enrolled on Census Day, but the SIS is showing **0** classes for the student.
