# SELA Reconciliation

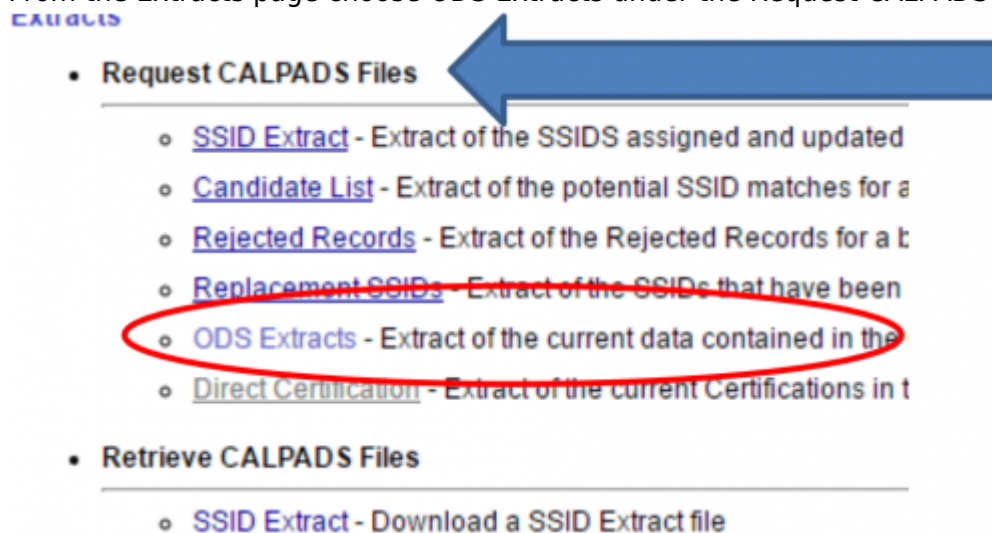

## Step 1

- Log in to CALPADS
- Go to **Reports > Extracts**

## Step 2

From the Extracts page choose ODS Extracts under the Request CALPADS Files.

## Step 3

From the **Record Type** dropdown choose **Student English Language Acquisition Status ODS Download**.

A screenshot of a web application interface showing a dropdown menu for 'Record Type'. The menu is open, displaying a list of options. The option 'Student English Language Acquisition Status ODS Download' is highlighted with a red oval. Other options include 'Course Section Completion ODS Download', 'Course Section Enrollment ODS Download', 'SSID Enrollment - Data Reconciliation', 'SSID Enrollment ODS Download', 'Staff Assignment ODS Download', 'Staff Demographics ODS Download', 'Student Career Technical Education ODS Download', 'Student Course Section Completion ODS Download', 'Student Course Section Enrollment ODS Download', 'Student Discipline ODS Download', 'Student Health ODS Download', 'Student Information ODS Download', 'Student Program ODS Download', and 'Student Waivers ODS Download'.

#### Step 4

Choose **Active Student** or Enter a Date Range and click **Request File**.

A screenshot of a web application interface showing the 'Active Student' checkbox and the 'Date Range' section. The 'Active Student' checkbox is selected, indicated by a blue arrow. The 'Date Range' section contains two date input fields: 'Enrollment Start Date' and 'Enrollment End Date'. A large blue arrow points to the 'Date Range' section. Below the date fields is an 'Extract File Name' input field. At the bottom, there are two buttons: 'Return to Request Extract Files' and 'Request File', with the 'Request File' button circled in red.

#### Step 5

Click **Return to Request Extract Files**

A screenshot of a web application interface showing the 'Return to Request Extract Files' button. The button is circled in red. The interface also shows the 'Date Range' section with 'Enrollment Start Date' and 'Enrollment End Date' input fields, and an 'Extract File Name' input field. The 'Request File' button is also visible.

#### Step 6
