Student Grade Level Advancement

Looking for information on **Mass Enrollment Rollovers and Matriculations**? [Click Here](#).

Manual Advancement

Student grade levels can be advanced manually by going into each student's enrollment page

You must end the current enrollment with a state exit code of E490: Summer or Intersession exit. Then start a new enrollment with the new grade level and new date. The old enrollment can end the last day of school for the school year that just closed and be re-enrolled the next day. Any two dates can be chosen. It's best to NOT leave a gap in student enrollment dates.

Ending old Enrollment

- Step 1. Open student by searching in right upper hand corner OR show student list under Admin»Student Info» Show Student List

The screenshot shows the SIS interface. At the top, there's a navigation bar with 'Admin', 'Reports', 'Schools', 'Teachers', 'Portal', and 'Help'. Below this is a search bar with 'Ludlow' entered. The main area displays a table of student records. The first record is for 'Ludlow, Tristian' with a 'Reg' status and an 'Enr' (Enrollment) status. A blue arrow points to the 'Enr' link in the 'Student Tabs' column. Below the table, there's a 'Jump To' section with links for 'Name', 'Reg', 'Enr', 'Tchr', 'Trscpt', and 'Test'.
